Subject: Product Recall

RECALL

Due to possible inconsistent and erratic ignition Dakota Ammo, Inc is immediately recalling the following lots of CORBON 44 S&W Special 165gr JHP (SD44S165/20) ammunition.

The affected lot numbers are:

20090201

20090202

20090301

20090401

20090402

20090403

20090404

20090405

Please let us have the quantities that you or your dealers may have in inventory and we will arrange that the product is uplifted from your facility ASAP.

We will replace all affected product with our latest lot.

Please accept our sincerest apology.
