Big Rock Sports Announces UPS Guaranteed No-Charge Next Business Day Service on Qualifying Handgun Orders

Newport, NC - Big Rock Sports, headquartered in Newport, NC announced that effective April 3, 2006, they will be utilizing UPS guaranteed services for next business day transportation at no-charge to dealers on qualifying handgun purchases.

“Previously, handgun shipments would take 3-4 days for delivery with no guaranteed service. In order to receive their handgun order by the next business day, customers had to commit to 50% of the delivery cost. Not only was this an additional cost to our dealers, it posed potential security issues as well,” stated Wayne Decker, Vice President of Operations, Big Rock Sports. “Now, by switching to UPS, our customers will receive their qualifying handgun purchases guaranteed by UPS the next business day at no cost to them. In addition, qualifying purchases will be trackable from the moment they are shipped until they arrive at their destination. Security and savings, just one more way we are committed to servicing our dealers,” continued Decker.

The UPS guaranteed service is based on a \$500 pre-paid handgun order. Standard freight terms still apply.

Big Rock Sports is the parent company of All Sports, AWR Sports, CSI Sports, Henry’s and MT Sports, wholesale sporting goods distribution centers located across the nation. Big Rock Sports companies service more than 14,000 hunting and fishing retailers from coast to coast.
